I gave him a revised letter this morning. The transmittal letter now says that we expect EPA to get and EE as soon as there is someone to grant it - as provided for in the ESD

Ok

At MWD's request, Jon Gabry will call Pat at Pace to discuss the CSIA with him.

Not to pester too much, (but the clock is ticking on our deletion timeframe) do you think Bob will sign the Jackson letter soon?

Hi Jim

I assume that you have not gotten comments from Grumman yet?

Attached are comments that we received from the Navy on May 17, 2016 regarding the CSIA Report. I thought that I had already shared them. Also attached is the report for your easy reference. Northrop Grumman has indicated that they will submit comments but I have not received them yet. I will forward them when I do. Jim H
